## Disclosure of Institutional (General Student Body) Graduation/Completion and Transfer-out Rates

Harford Community College is pleased to provide following information regarding our institution's graduation/completion and transfer-out rates. The information is provided in compliance with the Higher Education Act of 1965, as amended. The rates reflect the graduation, completion and transfer-out status of students who enrolled during the 2014-2015 school year and for whom 150% of the normal time-to-completion has elapsed.

During the fall semester of 2014, 941 first-time, full-time, certificate or degree-seeking undergraduate students entered Harford Community College. After 3 years (i.e. as of August 31, 2017), 28.9% of these students had graduated from our institution or completed their programs and 24.5% of those that did not graduate had transferred to other higher education institutions.

#### Student Right-to-Know Act Graduation Rate Report

In accordance with the Higher Education Act of 1965, as amended, Harford Community College is pleased to share the following information on the graduation and transfer-out rates of our 2014-2015 cohort of full-time, first-time, degree or certificate seeking undergraduates and student athletes that received institutional athletic financial aid.

While reviewing this information, please keep the following in mind:

- All graduation rates are based upon 3 years of attendance, which equates to 150% of the normal completion time of our longest program.
- These charts do not identify the reasons why our students withdrew; therefore students who withdrew for personal or medical reasons are included.
- Graduation rates do not include students who died.
- A pound sign (#) denotes any cohort/subcohort with five or fewer students. The college is not required to disclose this information.
